

The National Car Care Council Has proclaimed April As National Car Care Month

A survey of certified technicians found that the **most neglected maintenance** items are cooling systems, transmissions, brakes, power steering fluid service and oil changes.

It's *always less expensive* to perform preventative maintenance than to repair a break down. PLUS...

Regular Maintenance on your car saves you money and gives you peace of mind!

The National Car Care Month Ultimate Maintenance package

- Premium Oil Change, Lube & Filter
- Cooling System Inspection
- Transmission System Flush & Fluid Replacement
- Inspect **complete** brake system
- **Multi-point courtesy inspection** (to make sure everything is okay)

All This For Only \$147.57*
Regular \$196.87 -- **You Save \$49.30**

*Most vehicles – See Store for Details

Insider's Car Care Club Members Save an Additional \$10.00
